SKILLS

FRONT END DEVELOPMENT: React.js, HTML, CSS, JavaScript, Bootstrap, Tailwind CSS

MOBILE DEVELOPMENT: React Native

BACK END DEVELOPMENT: Node.js, Express.js

DATABASE: MongoDB, SQL, Supabase

TOOLS: VS Studio/Code, Postman, Git, GitHub

MISCELLANEOUS: MERN Stack, Lovable, Gen-AI

SOFT SKILLS: Team Player, Run for Action, Ownership

INTERNSHIP EXPERIENCE

WEB DEVELOPMENT – CODTECH IT Solutions Private Limited May 2025 – July 2025

- Built responsive and interactive web applications using React.js with modular component-based architecture
- Integrated external APIs (like OMDb and Weather API) for dynamic data rendering and real-time user interaction
- Implemented client-side routing with React Router and maintained code using Git and GitHub

PROJECTS

AI SMART INTERVIEW & HIRING SYSTEM (MERN Stack)

- Developed an AI-powered hiring platform that analyzes resumes, matches candidate skills with job roles, and generates personalized interview questions based on experience and skill set.
- Implemented automated answer evaluation with scoring and feedback, helping recruiters streamline candidate screening through an efficient and responsive system.

MEDICAL APPOINTMENT BOOKING SYSTEM (MERN Stack)

- Built a full-featured medical appointment platform enabling patients to register, search doctors by specialization, and book appointments in real time.
- Implemented secure user authentication, role-based access for doctors and patients, and dynamic appointment management with responsive dashboards. Integrated CRUD operations, date/time slot management.

ONLINE VOTING SYSTEM (MERN Stack)

- Developed a secure Online Voting System using MERN stack with user login, poll creation, and live result display.
- Designed a responsive, animated frontend using React and CSS Modules with role-based access control.

EDUCATION

GANPAT UNIVERSITY, BCA in Computer Applications July 2023 – Present

- **CGPA:** 8.73
- **Coursework:** Web Development, DBMS, OOP in Java, Operating Systems, Programming languages

RBSE (Board of Secondary Education, Rajasthan) – 12th (Commerce) May 2023

- **Percentage:** 73%
- **Coursework:** Mathematics, Accounting

CERTIFICATIONS

BASIC SOFTWARE DEVELOPMENT April 2025

- Certified in Basic Software Development, gaining skills in programming and software engineering principles.

INTERESTS

- Badminton, Cricket, Self-Improvement
